Franchise And Secure Your Future

The mental health market is booming. There is a HUGE unmet need in our country and Nora Mental Health fills this need. When you open a Nora Mental Health clinic near you, we all thrive.

With 57% of Americans suffering from a diagnosable mental health disorder, you can make a major difference in people's lives, and your own, by opening a **Nora Mental Health** franchise.

Continuous Support

- Brand Development
- Credentialing and Contracting
- Complete Medical Billing Services
- Referrals
- Personalized Support
- Human Resources
- Exclusive Territory
